

**F-2012-00165 - OHSS, incidents and egg collection at Origin Belfast (centre 0200)**

31 July 2012

**Summary of request**

The Authority was asked for information regarding incidents, licence conditions and egg collection by Origin Fertility Care.

**HFEA response**

Four incidents involving OHSS were reported to the HFEA by Origin Fertility Care between 05/07/2011 and 04/07/2012.

Origin Fertility Care reported 15 cases where 20 or more eggs were collected in treatment cycles taking place between 01/07/2010 and 30/06/2011. The HFEA were notified by Origin Fertility Care that they re-opened on 25/07/2012.

The HFEA has not imposed any conditions (beyond the standard HFEA licence conditions) on the clinic's licence.
