

F-2014-00114 - Centres that perform egg freezing or that use frozen eggs

19 May 2014

Summary of request

The Authority was asked for a list of centres that perform egg freezing or that use frozen eggs.

HFEA response

The table below details all centres that have reported eggs being frozen either for patient use or for donation. It also shows the centres that have thawed eggs regardless of whether those eggs went on to fertilisation and transfer.
